Short Proposal – JSHS Regional Symposium
Page 2 of 2

- 1. Describe outreach plan to publicize JSHS Regional Symposium to area high school students, teachers, and schools.**
- 2. When or what date do students and teachers need to apply for participation? (Note: Some regions request abstracts and papers upon application, and other regions first request nominations from teachers or student applications before receiving abstracts and papers. Both are considered the application date. The National JSHS website intends to publish regional application deadlines. Details for the application process will continue to follow from the regional symposia.)**
- 3. Describe any proposed efforts to reach out to entities which mentor academically motivated students from underrepresented populations to help prepare those students for successful competition in STEM and JSHS. Describe any additional efforts to recruit (and enroll) students or teachers who are considered underserved or underrepresented in STEM.**
- 4. State proposed activities for academic year 2018-19 JSHS Regional Symposium.**
